RE: SCBC FILED AFFIDAVIT #2 SCHEDULE 4 SPECIAL BILL OF COSTS

Upon meeting with ©Irene Maus GravenhorstKiapilanoq™ (Irene) today. I compared the original Affidavit #2 as described above to Certify True Copies thereof. Specific reference is made to Schedule 4 on the 7th page of 9, whereby I confirm that the total value in the Balance column of this Special Bill of Costs corresponds with the original filed Affidavit #2 dated April 21, 2008 at the Supreme Court of British Columbia, Vancouver Court Registry #S036483.

WHEREAS Irene reproduced this information on an Open FIRST Trust Ledger that is confirmed with secured registered Lien that is not read, not consulted on and not advised on.

WHEREAS my autograph constitutes a representation that I Am a Notary with a Public Seal who is authorized by the Evidence Act, R.S.B.C. 1996, c. 124, to certify the matters set out as they pertain to the execution of this instrument. Using my Notary Certification to this information does not constitute any adhesion, nor does it alter my Notarial professional business status in any manner.

WHEREAS the purpose for my Notarial attestation is to verify and identify only. I have compared a true likeness of Irene's photograph and autograph presented with Private SSG identification.

WHEREAS this Affidavit #2 is not read, no legal advice is sought or provided, having witnessed Irene's autographs to these documents in her position as a sovereign advisor to SSG leadership, SSG Constitution and SSG Jurisdiction. I know Irene as a woman by her sovereign Name ©Irene Maus GravenhorstKiapilanoq™ in any style of cause and cause my autograph as Third Party Accreditation as the truth.

MAY2018	NOTICE: Since 2008 not one attempt was made to pay this served debt contract ³ by either former CANADA PM, Harper or current PM, Trudeau or their Masters, World Bank Group (WBG)/Federal Reserve Board/Bank (FRB), JesuitVatican/JOINTVENTURE (JV) INC. Club of Rome members et al. As a result, this current balance ⁴ far exceeds this Open First Trust Ledger for SBoK, the Second Trust Open Bank Ledger is current with true integrity moving this outstanding balance as a forward debt that remains due and owing to SSG members. Updated SBoK, Central Bank ledger #2 earns SSG members \$9991 in daily penalties for CANADA et al's continued violation of S. 337 CCC, Universal Contract laws, Bills of Exchange Act 1882, Universal Declaration of Human Rights (UDHR), 1948, UNDRIP (United Nations Declaration of Rights for Indigenous Peoples), September 2007 ratified by 144 General Assembly members:			10,587,780T+ CAD +

The functions, powers and responsibilities of SBoK members respect SSG Constitution with SSG jurisdiction Before Time Immemorial⁵ (BTI) and a strict 'do no harm' primary protocol. SBoK-SSCG financial transfers are assured by Sovereign ©Skwxwú7mesh-Squamish™ Court on Kanata (©SSCK™) advisors in Private Trust to;

- ➦ offer, regulate the supply, availability for international exchange with 'real' money identified by Certified Cheques as 'cash' upon deposit pursuant to the rule of law,

¹ Served PSDContracts. Private/Public Sovereign Debt Contracts remain tax-interest-usury free. De facto corporate STATE CANADA et al are named Debtors to contract and incur daily penalties of \$9991 (NINE HUNDRED AND NINETY-NINE INFINITE/INTEGRITY) lawful currency secured with registered liens until paid.
² Legend: Balance column converts Trillion value to Quadrillion and presented with E&OE. Some totals in the balance column remain the same as the contract as the figure is higher than a Million, Billion, Trillion or Quadrillion – thus I = Infinite with a sign, means that the running balance earns SSG members \$9991 per day for Debtors failure to settle the contracts. May2016 SSG members served Canada's PM Trudeau and Ministers for Defense, Finance et al with Bankruptcy Certificate (BC) #1, Bankruptcy Certificate #2 dated Dec2016, Bankrupt Certificates Feb2017 and Apr2017. Bankrupt Certificates as served documents but will be revealed on our website for due diligence and transparency disclosure.
³ Thus, increased daily penalties of \$91 debt against STATE CANADA et al continues. Served debt contracts since then increased with many other contracts recording sovereign tax-interest free balances due and owing from afore-named Debtors belonging to DE FACTO CORPORATE STATE GOVERNMENTS STATE CANADA/GNWT as civil serf-ants who are owned by JesuitVatican/JOINT VENTURE or JV INC. Treasury Trust Club of Rome members, et al. 1% system controllers ignore freedom of speech, customs, traditions, right to Habeas Corpus, lawful filed documents, local, national and international laws, regulators assessments and public deposition invitations with continued RICO, FRAUD, THEFT, TREASON, VIOLATION OF HUMAN RIGHTS, ET AL. The Rothschild and 1% interest groups own Department of Justice administrators thus all cases are predetermined and never in the best interest of practicing fair solutions.
⁴ Current Balance today: 91,526,930Q+223.121E¹²+5,296,6971+ subject to increased Debt total for failure to settle with daily penalties of \$9991 pursuant to the Bills of Exchange Act, 1882.

However, this position is defined and similar to an Amicus Curiae (friend of the court) who must apply the truth with Justice as natural laws that involves a system of consequences that naturally derives from any action or choice. In this, it is similar to the laws of physics: in the same way as the Third of Newton's laws of Motion requires that for every action there must be an equal and opposite reaction, justice requires according individuals or groups what they actually deserve, merit, or are entitled to. Justice ©Gravenhorst-Kiapilanoq-CAPILANO™ directive is to protect the best interest for humanity by respecting that each human spirit has a soul with a universal right to govern oneself in order to remain free, governed by the Creator's wisdom/light with reason and a directive to maintain universal peace in the Name of Love for Humankind and Earth.
